

## **Innergy Comprehensive Limited – Fee Schedule (rev. March 2023)\***

\*Fees subject to change without notice on this website – please contact the office to confirm fees for service. A processing fee is applied to all credit card payments.

### **Neuropsychological & Forensic Services\* - Contact clinic to book**

\$300/hour - typically takes 8 hours of in-clinic assessment

\$1500 deposit required to book (non-refundable if assessment canceled)

Balance owing must be paid prior to interpretive interview; cost includes written report

Depending on the amount of medical and/or legal information to review, total cost estimate is between \$6000-\$8500

### **QEEG\* - Online booking available; confirmation with deposit**

\$800 for initial assessment, includes a follow-up interpretive interview and treatment plan – two 50-minute appointments

\$250 deposit required to confirm booking (non-refundable if session cancelled)

\$400 for repeat QEEG to review treatment response/progress; includes interpretive interview and updated treatment plan

### **Neurotherapy\* (based on QEEG results) - Online booking available; confirmation with deposit**

\$200/session - each session is approximately 50 minutes in length; payment is required at each session unless otherwise arranged

Depending on the severity of symptoms/condition, 8-10 sessions of neurotherapy are recommended to determine treatment response; then a QEEG is repeated to determine progress.

Treatment can be scheduled as intensive (5-10 sessions/week for 1-2 weeks), or 3,2, or 1 session per week as client time and resources allow.

A 50% deposit will be required to confirm booking of 5+ days of an intensive treatment, with the remainder payable at the first session.

20 session/2 QEEG package available (does not include initial QEEG) for \$4000 (\$4800 value)

### **Cancellation Policy\***

For neuropsychological and/or forensic assessment, 7 days notice is required to cancel, or deposit is forfeited.

For QEEG assessment, 48 hours notice is required to cancel, or deposit is forfeited.

For neurotherapy sessions, cancellation with less than 48 hours of the appointment will result in full session costs billed to the client
